SUBJECT: Visa Support Letter

APPLICANT NAME and SEVIS ID#: Ching Lun Chiu, N0031944817

DOB: 02/16/1999

Dear Madam or Sir:

I am writing in support of Ching Lun Chiu's visa issuance and successful entry into the United States as an F-1 student visa holder.

NYU is considered a hybrid school and offers a combination of in-person, blended, and online courses, which will continue as needed and permitted for the duration of the COVID-19 crisis. The safety of our students is of utmost importance and, should the need arise, we are prepared to make all necessary adjustments to ensure the continuity of the student experience.

Please note that not having access to reliable internet from their home country, time zone variations, basic coursework challenges, and limited access to campus resources from abroad mean that even if a student is enrolled in online courses for part of or for the full duration of the emergency, their physical presence in the United States may remain preferable in order to best support their academic success.

I respectfully request you to issue Ching Lun Chiu's visa so that the student may enter the US for their studies.

If you need further information, please contact me at ogs@nyu.edu.

Sincerely,

Thomas Sirinides, Director of International Student Services
